

GEORGIAN PRODUCTION FORCES AND NATURAL RESOURCES RESEARCH CENTRE

Scientific Report

2016B

I. Scientific-Research Works Planned and Implemented in 2016 Funded by the State Budget of Georgia

I. 2. Transitional (multi-year) Research Projects

#	Implemented work with the indication of scientific field and direction	Work Supervisor	Work Performers
1	<p>Department of land, water and forest resources, their utilization and ecology</p> <p>"Problems of Management of Land Resources (Fund) of Georgia"</p> <p>Scientific Fields:</p> <p>Soil Science, Economics, Ecology</p> <p>Scientific Direction:</p> <p>Agricultural Sciences</p>	T. Urushadze	N. Tchitanava J. Matchavariani R. Firtskhalava
2	"The level of utilization of secondary forest resources in	T. Patarqalishvili	T. Patarqalishvili

	<p>Georgia and perspectives, rational use of forest resources "</p> <p>Scientific Fields: Economics, Ecology</p> <p>Scientific Direction: Agricultural Sciences</p>		
3	<p>"Problems of drinking-agricultural water utilization and water supply of Kakheti region population according to the municipalities"</p> <p>Scientific Fields: Hydrology, Economics, Ecology</p> <p>Scientific Direction: Economic Sciences.</p>	Q. Makharadze	Z. Lomsadze V. Geladze R. Tsitsqishvili R. Firtskhalava
4	<p>Department of Mineral and Energy Resources and their utilization</p> <p>Secondary and non-traditional mineral resources and prospects of their utilization in various fields of national economy</p> <p>Scientific Fields: Geology, Mining, Geography, Ecology, Economics;</p> <p>Scientific Directions: Earth and environmental sciences, Economic Sciences.</p>	G. Magalashvili	G. Magalashvili A. Suladze J. Kakulia D. Kupatadze A. Dvaladze

5	<p>Modern state of utilization of renewable energy, non-traditional energy resources in Georgia and prospects of their involvement in the country's fuel-energy complex.</p> <p>Scientific Fields:</p> <p>Power engineering, Economics.</p> <p>Scientific Direction:</p> <p>Natural, renewable energy resources.</p>	Academician Ir. Jordania	<p>Q. Vezirishvili-Nozadze</p> <p>N. Mirianashvili</p> <p>A. Dvaladze</p>
6	<p>Department of human and natural-recreational resources, their utilization and tourism</p> <p>Dynamics of the use of labor resources in the Georgian national economy</p> <p>Scientific Fields:</p> <p>Demography, Economics</p> <p>Scientific Direction:</p> <p>Sociology</p>	A. Sakhvadze	A. Sakhvadze
7.	<p>Main directions of effective use of touristic and recreational resources: assessment and prognosis</p> <p>Scientific Fields:</p> <p>Economics, Ecology.</p>	L. Kvaratskhelia	L. Kvaratskhelia

	Scientific Direction: Tourism
