

## Project PRINTel Innovation Pedagogy Methods Training Course in Georgian Technical University

### Internal Teacher Training Course

#### „Video as a Learning Tool for Teachers & Students “

On March 4-9, 2019, in the framework of EU funded ERASMUS+ Program PRINTel Project, at

Georgian Technical University's Professional Development Center was conducted Teacher Training Course "Video as a learning tool for teachers and students". The course was attended by 20 lecturers from 7 different Faculties (engineering and humanities) and 2 members of Professional Development Center's staff. The trainer was Assoc. Prof. Natia Kochladze from the Faculty of Architecture, Urban planning and Design, who attended the training session with the same title at the University of Porto, Portugal in November 2018 within PRINTel project.

The five day training in innovative learning envisaged 10 hours presented in 2 hours per day for 5 days of classroom work and 20 hours of individual work (1 ECTS Credit).

The trainees were introduced to the innovative methodology of teaching and learning using video (photo N1).

*photo N2*

During the training were discussed several concrete Teaching and Learning scenarios on how to use video as a learning tool to flip the class (photo N2, N3), stating that audiovisual materials can convey and communicate complex information in a more motivating and memorable way creating richer learning experiences. TT course included discussions about the advantages and disadvantages of video lectures as well.

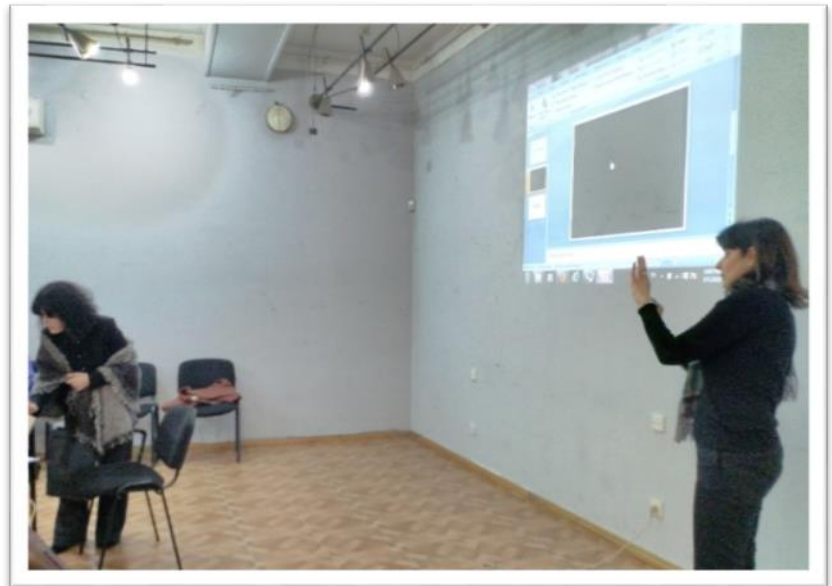

TT course participants discussed how to use video both on theoretical and practical levels to motivate and engage students and how the video could be used in their teaching fields.

The final day of the course was devoted to the presentations of short videos made by participants according to their subjects of teaching and giving feedbacks (photo N4, N5).

After successful completion of the course the participants were awarded appropriate certificates.

*The end of training*

The trainings were conducted in partnership with Teaching Staff Development Center of GTU Innovations Center (founded on the basis of PRINTel capacity building context) and GTU Center of Professional Development.
