

Dear Colonel Grigori (Gogi),

Good Day,

Your research has with no doubt progressed along the technological aspects of erecting the building blocks of the pyramid. It is really a very interesting animation presented.

Based on your request I will share the contact details of one of the leading entities with respect to the archaeological aspects of Egypt.

His name is Prof. Dr. Mohammed A. El-Gohary in Egypt.

Website: Egyptian Journal of Archaeological and Restoration Studies (ekb.eg)

Hope the above is sufficient for you to communicate further with Prof. Dr. Mohammed A. El-Gohary.

Please let me know if you may require additional feedback in this regard.

Best luck in your endeavors.

Regards,

Prof. Dr. Fouad Ghoussayni
