

Georgia Technical University

Bachelor's Programs

Faculty	Bachelor's Program	Academic Degree
Civil Engineering	Industrial and Civil Engineering	Bachelor of Civil Engineering
	Hydro-Engineering	Bachelor of Engineering Sciences
Power Engineering and Telecommunication	Electrical Engineering	Bachelor of Engineering Sciences
	Thermal Engineering	Bachelor of Engineering Sciences
	Electro-Mechanics and Electro-Technologies	Bachelor of Engineering Sciences
	Electronics	Bachelor of Engineering Sciences
	Telecommunication	Bachelor of Engineering Sciences
Mining and Geology	Mining	Bachelor of Technologies
	Geodesy Engineering	Bachelor of Technologies
	Geology	Bachelor of Natural Sciences
	Oil and Gas Technologies	Bachelor of Technologies
Chemical Technology and Metallurgy	Chemical Technology	Bachelor of Technologies
	Biotechnology	Bachelor of Technologies
	Food Technology	Bachelor of Technologies
	Ecology	Bachelor of Natural Sciences
	Metallurgy	Bachelor of Engineering Sciences
	Materials Science and Metal Processing	Bachelor of Engineering Sciences
Transportation and Vehicle-Engineering	Business Administration and Management	Bachelor of Business Administration
	Transportation Administration and Management	Bachelor of Engineering Sciences
	Machine Building	Bachelor of Engineering Sciences
	Technology of Light Industry	Bachelor of Technologies
	Constructions of Highways, Aerodromes, Bridges and Tunnels	Bachelor of Civil Engineering
	Exploitation of Ships and their Power Devices	Bachelor of Engineering Sciences
	Management in Transportation	Bachelor of Engineering Sciences
	Printing Industry	Bachelor of Engineering Sciences
	Wood Engineering	Bachelor of Technologies
	Railroad Engineering	Bachelor of Civil Engineering
	Automobiles and	Bachelor of Engineering Sciences

	Automobile Industry	
Architecture, Urban Planning and Design	Architecture and Town Planning	Bachelor of Architecture
Humanitarian-Social	Philology (Foreign Languages and Literature, English, German, Russian, French..)	Bachelor of Humanities
	International Relationships	Bachelor of Social sciences
	Public Relationships	Bachelor of Social sciences
	Art Study	Bachelor of Social sciences
	Economics	Bachelor of Social sciences
	Tourism	Bachelor of Business Administration
	Finances, Bank and Insurance	Bachelor of Business Administration
	Audit	Bachelor of Business Administration
	Management and Administration	Bachelor of Business Administration
	Journalism	Bachelor of Social sciences
	Law	Bachelor of Humanities
	Minor (Extra) Specialties:	
	<ul style="list-style-type: none"> • Journalism • Conflict Management • Translator-Interpreter (English, German, Russian, French) • Economics and Business Administration • Business Law • Professional Specialized Languages (English) • Information Technologies • Politics and Diplomacy • State and Administrative Law • State and Municipal Management • Direction • TV-Radio Journalism 	
	Informatics and Control Systems	Biomedical Engineering
Data Processing and Automated Control Systems		Bachelor of Computer Technologies
Robototechnology		Bachelor of Computer Technologies
Quality Management and Measurements Engineering		Bachelor of Computer Technologies
Computer Systems and Networks		Bachelor of Computer Technologies

	Information Technologies	Bachelor of Computer Technologies
	Physics	Bachelor of Natural Sciences
	Applied Mathematics	Bachelor of Mathematics
