

გ. ბერიკელაშვილის გრანტები:

- Research Grant of the Georgian Academy of Sciences # 1.11.97 (1997-1999);
"Approximation methods in functional equations"
- Research Grant of the Georgian Academy of Sciences # 1.12.00 (2000-2001);
"Projective and finite difference methods"
- Research Grant of the Georgian Academy of Sciences # 1.12.02 (2002-2003);
"Projective-iterative and finite difference methods"
- Research Grant of the Georgian Academy of Sciences # 1.12.04 (2004-2005);
"Stability and convergence of projective and finite difference methods for singular
integral equations and elliptic boundary value problems"
- Georgian National Science Foundation Grant # GNSF/ST06/3-005 (2006-2008);
"Characteristic problems for some classes of nonlinear hyperbolic equations"
