

ფიზიკა-მათემატიკის მეცნიერებათა კანდიდატი,
პროფესორ-ასისტენტი ლიანა კუკურის ასული ჩეჩელაშვილი
სამეცნიერო შრომები

1. L. Mdzinarishvili, L. Chechelashvili “ *Literature Published on the base of entrance maths examinations at Georgian Technical University – as trial to create system of raising of teaching* “ “ IMSEP – 94, Intelligence Management Systems for Educational Processes ‘ First International Scientific Pedagogical Seminar Lagodekhi, 6-9 October, 1994
2. L. Mdzinarishvili, L. Chechelashvili “*Part of entrance examinations in raising of mathematical culture in schools* “ “IMSEP – 94, Intelligence Management Systems for Educational Processes “ First International Scientific Pedagogical Seminar Lagodekhi, 6-9 October, 1994
3. L. Chechelashvili, N. Chechelashvili, T. Buchukuri “*Research of differential equation’s solutions describing of wave motion of water in mountain reservoirs* “ Scientific – pedagogical conference, Tbilisi, 1995
4. L. Chechelashvili, N. Chechelashvili “*Finite-differences methods of solutions of boundary problems of water motion in natural river-beds and reservoirs* “ Scientific – pedagogical conference, Tbilisi, 1995
5. L. Chechelashvili, N. Chechelashvili “*Decomposition of determinant with polynomial elements* “ Scientific – pedagogical conference, Tbilisi, 1995
6. L. Mdzinarishvili, L. Chechelashvili “*Comparison of two partially continuous cohomologies: Alexander – Spanier cohomology and singular cohomology*”. Open scientific and technical conference of teachers – rofessors dedicated to 75-th anniversary of Georgian Technical University. From 2-th to 4-th of June 1997.
7. L. Chechelashvili “*Partially continuous singular co-homology and comparison with ordinary singular and continuous Brown – Szczarba cohomology*”. Conference of Georgian Mathematicians, Tbilisi, from 24-th to 27-th of September 1997.
8. L. Mdzinarishvili, L. Chechelashvili “ *Some points connected with teaching undergraduate mathematics in Technical Universities*” 2nd International Conference on the Teaching of Mathematics (ICTM2), University of Crete, 1-6 July, Hersonissos, Crete, Greece, 2002.
9. L. Mdzinarishvili, L. Chechelashvili “*Partially continuous singular and Alexander-Spanier cohomologies.*” UNESCO Regional Bureau for Science in Europe, Georgian Academy of Sciences, Tbilisi State University, International School in Physics and Mathematics (ISPM, Georgia): School and Workshop on Algebraic models of topological spaces and fibrations dedicated to the 90th anniversary of Academician George Chogoshvili, September 13-18, 2004, Tbilisi, Georgia.
10. L. Mdzinarishvili, L. Chechelashvili “Partially continuous singular and Alexander-Spanier cohomologies”, Tbilisi, “Moambe”, April 2005

11. L. Chechelashvili “*The Mayer-Vietoris sequence and the suspension axiom for partially-continuous singular cohomology*”, Tbilisi, “Moambe”, June 2005
12. L. Mdzinarishvili, L. Chechelashvili “*On a Connection between Partially-Continuous Singular and Alexander-Spanier Cohomologies*”, Tbilisi, “Moambe”, August 2005
13. L. Chechelashvili “*Partially continuous singular cohomology*”, 4th Conference of Georgian Mathematicians, Tbilisi, 14-16 November, 2005.
14. L. Mdzinarishvili, L. Chechelashvili “*On a Connection between Partially-Continuous singular and Alexander-Spanier Cohomologies*”, 4th Conference of Georgian Mathematicians, Tbilisi, 14- 16 November, 2005.
15. L. Mdzinarishvili, L. Chechelashvili “*The Mayer-Vietoris sequence and the suspension axiom for partially-continuous singular cohomology*”, Moscow, “Contemporary Mathematics and Applications”, vol.35, 2006.
16. L. Mdzinarishvili, L. Chechelashvili “*On a Connection between Partially-Continuous Singular and Alexander-Spanier Cohomologies*”, Moscow, “Contemporary Mathematics and Applications”, vol.35, 2006.
17. L. Chechelashvili “*Partially continuous singular cohomologies*”, Moscow, “Contemporary Mathematics and Applications”, vol.36, 2006.
18. L. Chechelashvili “*Partially continuous singular cohomologies*”, Scientific – pedagogical conference, Batumi, 14-16 May, 2007.
19. N. Chechelashvili, L. Chechelashvili “*Mathematics for some engineering specialities*”, Part I, Tbilisi, 2007.
20. N. Chechelashvili, L. Chechelashvili “*Mathematics for some engineering specialities*”, Part II, Tbilisi, 2008.
21. L. Mdzinarishvili, L. Chechelashvili “*On connections of partially continuous singular cohomologies and Alexander-Spanier Cohomologies*”, Journal of Mathematical Sciences, Vol. 152, No. 3, 2008
