

Doctoral Programmes by Faculty for 2014/15 Academic Year

I. Faculty of Civil Engineering

1. Doctoral Degree Programme: Construction - 0406

Qualification Awarded: Doctor of Engineering in Construction

2. Doctoral Degree Programme: Hydraulic Engineering - 0406

Qualification Awarded: Doctor of Engineering in Construction

3. Doctoral Degree Programme: Highway Infrastructure and Underground Facilities - 0406

Qualification Awarded: Doctor of Engineering

4. Doctoral Degree Programme: Military Engineering -1114

Qualification Awarded: Doctor of Military Science

II. Faculty of Power Engineering and Telecommunication

1. Doctoral Degree Programme: Telecommunication - 0402

Qualification Awarded: Doctor of Engineering in Telecommunications

2. Doctoral Degree Programme: Energy and Electrical Engineering - 0405

Qualification Awarded: Doctor of Energy and Electrical Engineering

III. Faculty of Mining and Engineering

1. Doctoral Degree Programme: Geology - 0506

Qualification Awarded: Doctor of Geology

2. Doctoral Degree Programme: Mining Technologies - 04

Qualification Awarded: Doctor of Engineering

3. Doctoral Degree Programme: Oil and Gas Technologies - 0414

Qualification Awarded: Doctor of Mining and Geo-engineering

4. Doctoral Degree Programme: Safety Engineering and Risk Assessment - 04

Qualification Awarded: Doctor of Engineering

5. Doctoral Degree Programme: Mining and Geology Management - 02

Qualification Awarded: Doctor of Business Administration

6. Doctoral Degree Programme: Engineering Geodesy - 04

Qualification Awarded: Doctor of Engineering

IV. Faculty of Chemical Technology and Metallurgy

1. Doctoral Degree Programme: Chemistry - 0503

Qualification Awarded: Doctor of Chemistry

2. Doctoral Degree Programme: Chemical and Biological Engineering - 0410

Qualification Awarded: Doctor of Chemical and Biological Engineering

3. Doctoral Degree Programme: Metallurgy - 0411

Qualification Awarded: Doctor of Engineering in Metallurgy

4. Doctoral Degree Programme: Material Science - 0412

Qualification Awarded: Doctor of Engineering in Material Science

V. Faculty of Transportation and Mechanical Engineering

1. Doctoral Degree Programme: Machine Science, Mechanical Engineering and Production Process Technologies - 0408

Qualification Awarded: Doctor of Mechanics Engineering and Technology

2. Doctoral Degree Programme: Transport - 0407

Qualification Awarded: Doctor of Engineering in Transport

3. Doctoral Degree Programme: Transport and Industrial Management - 02

Qualification Awarded: PhD in Business Administration

4. Doctoral Degree Programme: Highway Engineering - 04

Qualification Awarded: Doctor of Engineering

VI. Faculty of Architecture, Urban Planning and Design

1. Doctoral Degree Programme: Architecture - 1101

Qualification Awarded: Doctor of Architecture

2 Doctoral Degree Programme: Architecture Criticism - 1007

Qualification Awarded: Doctor of Art Criticism

VII. Faculty of Business-Engineering

1. Doctoral Degree Programme: Business Administration - 02

Qualification Awarded: Doctor of Business Administration

2. Doctoral Degree Programme: Finance - 0204

Qualification Awarded: Doctor of Finances

3. Doctoral Degree Programme: Public Administration - 1109

Qualification Awarded: Doctor of Public Administration

4. Doctoral Degree Programme: Mass Communication - 0703

Qualification Awarded: Doctor of Social Sciences in Mass Communication

5. Doctoral Degree Programme: Social Sciences - 07

Qualification Awarded: Doctor of Social Sciences

V III. Faculty of Informatics and Control Systems

1. Doctoral Degree Programme: Informatics - 0401

Qualification Awarded: Doctor of Engineering in Informatics

2. Doctoral Degree Programme: Mathematics - 0501

Qualification Awarded: Doctor of Mathematics

3. Doctoral Degree Programme: Engineering Physics - 0404

Qualification Awarded: Academic Degree of Doctor in Engineering Physics

4. Doctoral Degree Programme: Control Systems, Automation and Test Engineering - 0403

Qualification Awarded: Doctor of Instrument-making, Automation and Control Systems

IX. Faculty of Agricultural Sciences and Biosystems Engineering

1. Doctoral Degree Programme in Agrotechnology - 0101

Qualification Awarded: Doctor of Agricultural Science in Agronomy

2. Doctoral Degree Programme in Foodstuff Technology - 0104

Qualification Awarded: Doctor of Foodstuff Technology

3. Doctoral Degree Programme in Animal Husbandry - 0103

Qualification Awarded: Doctor of Agricultural Science

4. Doctoral Degree Programme: Agricultural Reclamation - 0415

Qualification Awarded: Doctor of Agricultural Engineering

5. Doctoral Degree Programme: Forestry - 0105

Qualification Awarded: Doctor of Agricultural Science in Forestry
