

Scientific Technological Center of Sensor Electronics and Material Studies

Scientific Report

2015B

**I. 1. Scientific-Research Works Planned and Implemented in 2015 Funded by the State Budget of Georgia**

#	Implemented work with the indication of scientific field and direction	Work Supervisor	Work Performers
1	Modern superconducting materials physics, material studies	G. Kobakhidze	E. Sanaia N. Gamkrelidze O. Tsurtsunia

**II. 2.**

#	Implemented work with the indication of scientific field and direction	Work Supervisor	Work Performers
1	Research of slurry type deformable cast iron physics, material studies	G. Kobakhidze	O. Tsurtsunia N. Gamkrelidze E. Sanaia
