

Scientific Technological Center of Sensor Electronics and Material Studies

Scientific Report

2017B

I. 1. Scientific-Research Works Planned and Implemented in 2017 Funded by the State Budget of Georgia

№	Implemented work with the indication of scientific field and direction	Work Supervisor	Work Performers
1	2	3	4
1	Modern superconducting materials physics, material studies	G. Kobakhidze	E. Sanaia N. Gamkrelidze O. Tsurtsunia
2	Research of alluminum slurry physics, material studies	G. Kobakhidze	O. Tsurtsunia N. Gamkrelidze E. Sanaia
