

## **"Hydro-Engineering"**

**Magazine** "Hydro-Engineering" aims to develop the field of hydro-engineering, timely publication of contemporary and achievements and research results, experimental and theoretical researches of young scientists, doctorate students, and specialists.

The magazine introduces papers in different fields: Hydroechnology, Hydraulics, Water Supply, Wastewater, Rational Use of Water Resources, Engineering Equipping, Heating and Ventilation.

The founders of the journal are Georgian Technical University and Engineering Academy of Georgia.

**Chief Editor - Yuri Kadara (Tel 593-330-432)**

**Responsible person - Avtandil Gogoladze (Tel: 593-208-010)**

**Members of the magazine editorial board from Georgia:**

Acad. A. Prangishvili, Professor: L. Klimiashvili, D. Gurgenidze, I. Kadaria (Chief Editor), A. Motsonelidze, Z. Danelia, A. Davitashvili, I. Inashvili (Secretary). Z. Megrelishvili, L. Ghogheliani, N. Chkheidze, Sh. Gagoshidze, G. Soselia, M. Grdzelishvili, Sh. Mestvirishvili, A. Grigolishvili (Director of publishing house "Technical University"), G. Jerenashvili (Deputy Director of publishing house "Technical University"), N. Natsvlshvili, M. Natsvlshvili, M. Kandelaki (First Deputy of Director of Gardabani Purificaiton Building), A. Gogoladze (Associated Professor, responsible for the magazine).

**From the United States - Professors of Iowa State University:** Ardit Mann, Ramesh Kanvar, Amy Callieta, Steven Freeman, Roy Gue

**Russia - Professors from Moscow State University O. Primin, P. Palgunov**

Printed type referral periodical, published not less than twice a year – 100 copies.

Online versions of the journal are uploaded on the website of the Technical University Publishing House <http://publishhouse.gtu.ge/ge/archive/hidro>

ISSN - 1512-410X

**Distributed to** – National Parliamentary Library of Georgia, Library of Scientific Academy, Engineering Academy Library, Georgian Technical University Library, Batumi Shota Rustaveli State University Library, Library of Iowa State University, Moscow State Construction University Library.
