

## „Parallel“

The aim of the literary-scientific magazine is to identify and publish especially interesting works of GTU employees.

The magazine has two directions:

1. Number of talented students and employees of GTU attempt to create their fiction. The magazine is trying to identify literary talent and pave the way for them in Georgian writings.
2. "Parallel" publishes any scientific work if it has a public value.

Magazine "Parallel" was founded in 1984 and was published time to time until 2000. From 2011 it being published permanently.
