

List of literature received in the month of July:

№	Aauthor	Title	Year
1	Dalakishvili R.	Basics of business	2018
2	Putkaradze R.	Georgia-EU trade and economic relations: problems and perspectives	2010
3	Tsintsadze A.	Choice	2002
4	Meparishvili B.	Large data storage and processing - Lab.	2018
5	Meparishvili B.	Data warehouse business analysis using SQL Server Analysis Services - Lab	2018
6	Shavelashvili G.	Installation, technical operation and repair of electrical equipment part 1	2015
7	Papava T.	Study of deformation processes on the large hydrotechnical structures of Enguri and Zhinvali based on geodetic and geophysical data	2014
8	Chigladze T.	Assessment of the effectiveness of the use of information technologies in business process reengineering	2016
9	Khetsuriani G.	Research and application of modern technologies of cementing oil and gas wells in Georgia	2013
10	Devdariani T.	The role of notarial actions in the process of regulating civil-legal affairs	2014
11	Kobaladze Z.	Trial by jury	2017
12	Abashishvili M.	Managerial principles of increasing the effectiveness of public administration (on the example of Georgia)	2018
13	Abelashvili N.	Development of a physical model of a control sample for inter-laboratory comparison, research and creation of a test methodology	2018
14	Abzianidze M.	Geological-economic zoning of the Kvemo Kartli region for the purpose of development of the mining industry	2018
15	Adeishvili A.	Local self-government as an institutional factor of formation and development of civil society	2017
16	Avaliani M.	Improvement of the transport-exploitation properties of road pavements. Considering the climatic conditions of Georgia	2018
17	Avaliani N.	Historical, political and legal aspects of the parliamentary system in Georgia (from 1990 to the present day)	2018
18	Amashukeli N.	Mathematical and statistical processing of the results of spectral analysis of some pharmaceutical preparations	2018
19	Antashvili L.	A study of the effect of thermal fatigue on the durability of the barrel of a firearm	2018
20	Arabidze KH.	Energy-economic rationale for reducing carbon dioxide (CO ₂) emissions in the electricity generation sector of Georgia	2018
21	Aslamazishvili N.	Problems of attracting investments in industry in Georgia and ways to solve them	2017
22	Akubardia E.	Georgia's foreign policy (1991-2012)	2018
23	Balavadze D.	The role of public education in energy development...	2018

24	Baliashvili S.	The education system of modern China...	2018
25	Baratashvili M.	Increasing the structural strength of spherical graphite iron by perfecting the composition and heat treatment regimes	2018
26	Barbakadze A.	Military political cooperation of the EU, Russia and the United States of America	2018
27	Basilashvili Gr.	Study of quality of service (QoS) assurance methods in mobile communication networks	2018
28	Batiashvili V.	Transformation of business management structure in modern conditions of globalization	2018
29	Bagaturia D.	Development of an e-government system using web technologies for human resources management and communications	2018
30	Bagaturia D.	Prosecution policy in SAC (social and legal aspects)	2018
31	Bedukadze-Mamatsashvili N.	Examining the indiscipline of operational management of the assets of corporations	2018
32	BeraDZE j.	The mechanism of internal financial control improvement in public institutions in Georgia	2018
33	Bibiluri A.	Innovations of the commercial bank in the customer relations system	2018
34	Bitsadze E.	Automation of business process management of oil companies	2018
35	Bluashvili Kh.	Guided magnetic and local hyperthermia for cancer treatment	2018
36	Bogvelishvili N.	Analysis of rhythmicity in the food industry in Georgia and the study of its improvement	2018
37	Bokuchava D.	Contemporary Turkey - a Regional State	2018
38	Buadze L.	Leadership role in business success	2018
39	Bachilava T.	Peculiarities of human resource management and the role of ethics in business relations	2018
40	Gabaidze M.	Current state of regional integration and its impact on business development	2018
41	Gabaraev J.	Perfecting the regulation of audit activity in the medical institutions of Georgia	2018
42	Gabedava Z.	Georgia's transport infrastructure and its development perspectives	2018
43	Gavasheli O.	Issues of improving the state tax audit in public financial institutions	2018
44	Gamrekelashvili T.	Investigation of the causes of generation of high-order harmonics of voltage in power supply networks	2018
45	Gardava G.	Socio-political aspects of environmental protection (asbestos example)	2018
46	Gasviani N.	Ilia Chavchavadze and cultural heritage of the nation	2018
47	Gatsereli G.	Issues of perfecting the activity of microfinance organizations	2018
48	Gachava N.	Cultural heritage of Georgia and Georgian carpet-artistic-stylistic and technological aspects	2018
49	Gvetadze T.	Efficiency of foreign direct investments in Georgia	2018
50	Gvianidze M.	Adlia treatment plant and its impact on the ecological condition of the water of the Adjara coastline of the Black Sea	2018

51	Gigiberia I.	Development of information systems of differentiated teaching for inclusive education on the example of teaching math	2018
52	Giorgadze N.	Processing of information systems supporting the management of the educational process of the general education school	2018
53	Goishvili Z.	The problem of reproduction in Georgian agriculture and the role of the agro-credit system in its solution	2018
54	Gogaladze Kh.	Modification of silicon-containing composite material with nitrogen-containing organic compounds: Synthesis, properties, use	2018
55	Gogoladze G.	A non-standard symmetric cryptographic algorithm for data encryption with software	2018
56	Gogoladze I.	Prospects for the development of the mortgage market in Georgia and its impact on construction	2018
57	Grdzeldze M.	Results-oriented budget planning in the self-governing cities of SAC	2018
58	Gumberidze S.	Peculiarities of national security in the information age	2018
59	Datashvili D.	Evaluation of the possibility of integration of renewable non-traditional energy sources in the energy system of Georgia	2018
60	Dekanoidze G.	Boundary value problems for some classes of nonlinear hyperbolic systems of the second order	2018
61	Didmanidze M.	Construction of a systematic model of optimal distribution of study credits	2018
62	Dilidze Sh.	Elaboration of the method and technology of production of works in "wall soil" in water-saturated sandy and creeping soils	2018
63	Dogonadze S.	Legal-political and public administration aspects of the "frozen conflicts" in Georgia	2018
64	Ebralidze G.	Analysis of the relationship between state policy and public service for the public and political space of Georgia	2018
65	Ebralidze D.	Caspian region in geopolitical interests of the USA, EU and China	2018
66	Egiazarov D.	Research of the engineering-geological conditions of the Upper Svaneti territory for the purpose of environmental protection	2018
67	Elashvili N.	Eliminating the problems of attracting foreign investments in Georgian industry	2018
68	Epitashvili T.	Biological features of triticale, chemical composition and prospects of its use in bread technology	2018
69	Epitashvili I.	Research and analysis of means of measuring parameters of oscillatory systems	2018
70	Vekua E.	Construction of information systems supporting the teaching of natural science subjects	2018
71	Vekua Z.	Models of risk prevention in health care	2018
72	Zardiashvili V.	The role and place of the executive authority in the modern organization of government	2018
73	Zakaradze E.	The function of the Caucasus region and the role of the Silk Road in the socio-economic development of Georgia	2018

74	Zeinklishvili L.	Social orientation of business at the current stage of development	2018
75	Tabagari M.	Development of C08Cr1Ni5Si1CU1MOVti type steel intended for the production of high-performance controls of penetrating stations and other perspectives of its use	2018
76	Tatanashvili Al.	Increasing the seismic resistance of cultural heritage monuments by means of active seismic protection systems	2018
77	Tevdoradze O.	Local self-government as a supporter of state interests	2018
78	Tushishvili N.	Evaluation of the effectiveness of human resources use and improvement of management in the internal audit system	2018
79	Ingorokva N.	Research on aspects of media literacy teaching and main challenges in Georgian universities	2018
80	Iordanishvili E.	Development of new methods of research in traumatic brain injury	2018
81	Kakashvili G.	Systematic modeling of the process of creating an object-oriented website	2018
82	Kanteladze N.	Development and improvement of technology for making special tubes	2018
83	Kankadze Al.	Research and determination of ways to increase the competitiveness of Georgian logistics firms	2018
84	Kakhiani K.	Processing of automatic building management systems using programmable controllers	2018
85	Kakhiani R.	Formation and management of mobile public sector	2018
86	Kenchoshvili F.	Research of high-temperature (77K) superconducting current barrier for energy purpose.	2018
87	Kereselidze L.	Perfection of authority and functional mechanisms in Tbilisi's municipal management system	2018
88	Kvinikadze J.	Organizational structures of innovation management	2018
89	Kiviladze G.	Designing a high-availability data warehouse for an emergency operational control center (112)	2018
90	Kikaleishvili G.	Approaches to evaluation of management effectiveness and mechanisms of improvement	2018
91	Kim D.	Coronary Angiography Learning System	2018
