

### List of literature received in July

№	Author	Title	Year
1	Lobjanidze G.	International legal systems and local self-government	2019
2	Gabeskita Ts.	Georgian-English Math Dictionary	
3	Namicheishvili O.	Introduction to Informatics	2008
4	Jamurashvili K.	Developing security standards for electronic payment systems	2019
5	Samkharadze R.	Working with databases using ADO.NET technology (based on C++)	2019
6	Verulava O.	Learning a recognition neural network	2017
7	Chelidze Gr.	Crane-transport vehicles	2019
8	Sorokin P.	Handbook of Sociology for Everyone	2019
9	Durglishvili G.	Theoretical and practical basics of underground hydromechanics	2019
10	Dolidze N.	Physical foundations of radiation security	2019
11	Watkinson D.	First Aid for Archaeological Findings	2017
12		Excavation of an archaeological monument	1994
13		A collection of reports from the Primary International Conference...	2017
14	Azmaiparashvili Z.	Fundamentals of Microprocessor Technology	2019
15		A collection about Museums	2006
16	Gochitashvili T.	Oil and gas industry and main pipelines of Georgia	2019
17	Cherkezishvili D.	State of regional business and its development opportunities in Georgia	2019
18		Medicines and rules and criteria for their rational use	2019
19	Baliashvili M.	Software quality control	2019
20	Bokuchava N.	Cosmetology	2018
21	Gunia G.	Ecological Monitoring	2019
22	Surguladze G.	Virtual reality and modern information technologies	2018
23	Surguladze G.	Setting up software applications under virtualization conditions	2019
24	Surguladze G.	User Interface Programming	2019
25		Statistical overview of Georgian tourism	2018
26	Geleishvili V.	Methodological guidelines for conducting educational geological practice of prospecting for solid mineral resources	2019
27	Geleishvili V.	Student's Guide to Field-Geological Practice, Bolnisi Mining District	2019
28	Geleishvili V.	Museum of mineral resources	2019
29	Surguladze G.	Black Sea ecological monitoring and research information system	2018
30	Chogovadze G.	Hybrid technologies for control of information systems programming and data	2017
31	Dudaury O.	A guide to field-geological practice for students	2015

32	Dudauri O.	Samples of Georgian goldsmithing from Samtravto, collections of the National Museum of Georgia	2019
33		The ancient metallurgy and mining in Georgia	2010
34	Shavgulidze A.	Engineering graphics	2017
35	Chitaishvili G	Computer-aided engineering graphics	2019
36	Abashidze M.	Numerical algorithms for solving optimal control problems for non-local boundary value problems	2019
37	Ipaidze I.	Research of the problems of ensuring the information security of critical infrastructure in the country, methods and means of their solution	2019
38	Antia G.	Use of click-chemistry in the synthesis of macrocyclic azomethines	2018
39	Apriashvili T.	Issues of neutral insertion in isolated neutral networks	2019
40	Arveladze L.	Formation of public awareness by means of educational and preventive means	2019
41	Ananiashvili N.	"Impact of employment of persons with disabilities on economic development"	2019
42	Akhalkatsi N.	Peculiarities of fiscal decentralization in Georgia	2019
43	Aptsiauri D.	Projecting and analysis of business processes of the financial function of organizational activities	2019
44	Abramia Gr.	Study, modeling and preventive measures of the impact of pathogenic bacteria on the ecological condition of Paliastom Lake	2019
45	Avaliani G.	The role of macroeconomic regulation in the formation of the middle class	2019
46	Avagumashvili N.	Analysis of financial information in energy enterprises	2019
47	Alkhanashvili Sh.	The modern French model of archaeological search management	2019
48	Beruashvili Sh.	The role of international financial organizations in developing countries...	2019
49	Bregvadze N.	Some aspects of reflecting the reality...	2019
50	Basilaia G.	A sensor system for data collection...	2019
51	Bochorishvili N.	Experimental-theoretical study during concrete work with additives	2019
52	Beridze G.	Elaboration of methods of information filtering in web applications	2019
53	Butskhrikidze E.	oxygen concentration Determinant in liquids and gases...	2019
54	Baindurashvili G.	Reliability of medium pressure gas pipelines of gas distribution networks...	2019
55	Bakhturadze S.	Development of the program of utilization of energy resources of Georgia to increase the energy efficiency of the system...	2019
56	Begiashvili A.	Anthropogenic impact on water supply sources and the damage caused...	2018

57	Bagdavadze M.	Ways to improve E-procurement management in Georgia	2019
58	Bokhua Q.	Georgian News Agencies: peculiarities of objective reflection and informing of reality	2019
59	Beridze G.	The influence of quality on the efficiency of the hotel business	2019
60	Bakhtadze A.	Aspects of logistical support of the recreational sector of the Autonomous Republic of Adjara	2019
61	Babluani M.	Study of the economic-ecological efficiency of city transport	2019
62	Barbakadze Z.	The role of intensive horticulture in rural employment and population income growth...	2018
63	Beridze G.	The importance of information-consulting services and its economic effectiveness in rural development	2019
64	Badzagua V.	Georgian-Abkhaz conflict and international space	2019
65	Gaprindashvili Al.	Local network navigation system and algorithms for its optimal functionality	2019
66	Gogatishvili T.	Political-legal aspects of the formation of the European Union's free space	2019
67	Gordeziani Q.	Methodology for solving problems of engineering infrastructure of water pipelines in Georgia	2019
68	Babunashvili A.	"Software technologies of embedded security systems"	2019
69	Guruli Sh.	The country's fiscal policy focused on poverty alleviation	2019
70	Gegechkori Al.	International security in Georgia and Europe	2019
71	Gelovani V.	Analysis and assessment of information systems weaknesses	2019
72	Gurgenidze M.	The influence of modern electric receivers of the utility-household sector on the quality indicators of electricity and human health	2019
73	Getashvili T.	Innovative trends in the institutional economy	2019
74	Gelashvili M.	Intensification of the work of railway stations by perfecting the track development systems	2019
75	Grigorashvili M.	Research and development of safety valves for oil tankers	2019
76	Gordiashvili I.	Electricity quality problems caused by the operation of converter substations	2019
77	Gudava V.	Design and optimization of the business process of financial analysis of the state of the production organization	2019
78	Gorgoshidze Al.	Elaboration of the physical model of inductive charging of particles	2019
79	Gokhelashvili M.	Georgian higher education system-management problems and perspectives	2019
80	Deacon Gignadze T.	"Church situation and ecclesiological issues from the point of view of St. Grigol Khandzteli"	2019

81	Gogolashvili T.	Management of credit risks in commercial banks	2019
82	Guraspashvili G.	Interrelationship between the parameters of the oils used in the transformer	2019
83	Gogashvili I.	Georgia - in the context of global security	2019
84	Gagua G.	Investigating gas pipelines operating modes and technological parameters	2019
85	Gulua E.	Computer implementation of fuzzy difference schemes for spatial one- and two-dimensional evolutionary problems using the perturbation algorithm	2019
86	Gorshkova T.	Crime prevention as part of effective public administration	2019
87	Gigauri N.	Modeling of the spread of aerosols emitted from the Zestafoni ferroalloy plant and its ecological assessment	2019
88	Gagua Al.	Impact of energy on climate change and ways to reduce it in Georgia	2019
89	Goderdzishvili T.	Systematic problems of Securities Market formation in Georgia	2019
90	Datashvilo L.G.	Management of transnational corporations and the adaptation of their experience to the Georgian market	2019
91	Davitelashvili Sh.	Analysis of chaotic processes in dynamic systems using synergetic methods	2019
92	Datiashvili T.	Research of professional interests and its automation	2019
93	Dvali T.	Using Neural Networks for Efficient Smart Home Reconfiguration	2019
94	Dochviri R.	Investigating the impact of power receiver operating modes on the network and determining the technical requirements for connecting new facilities	2019
95	Demetrashvili Al.	Correction and synthesis of automatic regulation systems with root hodographs	2019
96	Darchiashvili N.	Improving the regulation of the banking sector in the conditions of financial globalization	2019
97	Davitashvili N.	Economic effect of introduction and development of E-services in Georgia	2019
98	Devdariani N.	Separation of biologically active substances from naturally dry healing mud and its use in cosmetics	2019
99	Denisova I.	A study of wastewater sedimentation considering the hydraulic viscosity of suspended particles	2019
100	Darchia S.	Designing and improving the business processes of the financial director of the organization	2019
101	Dugladze D.	დროისბიუჯეტის მართვა უმაღლეს საგანმანათლებლო სისტემაში	2019

102	Varshanidze I.	Research of the detonation ability of expired explosives and improvement of methods for determining energy characteristics	2019
103	Vachadze S.	Elaboration of managerial principles of effectiveness of modern public administration systems in Georgia	2019
104	Zangurashvili G.	Increasing the efficiency of transport companies using information technologies	2019
105	Zoidze G.	"The influence of institutional resources on the economic development of the country"	2019
106	Talakvadze T.	Mechanisms of effective use of competitive potential in Georgian companies	2019
107	Tavberidze I.	The importance of education for the development of the employment market in tourism	2019
108	Toidze P.	Effect of chemical composition and structure of nanocomposites on the properties of hybrid catalyst	2019
109	Telia Q.	Levels of intelligence and the problem of empathy	2019
110	Tedoradze D.	Research and engineering-geological assessment of modern exogeodynamic processes of Aragvi river basin	2019
111	Tortlidze Z.	The Kingdom of Kartli in Late Antiquity (according to Gostibe's archaeological artifacts.)	2019
112	Turkadze N.	Obtaining thin films of compounds of some rare earth elements and studying their electrophysical, optical and mechanical properties	2019
113	Tungia M.	Priority role and place of media education in the era of transformation of information society	2019
114	Tvaliashvili V.	Radiological survey of the territory of the former Anaseuli Tea and Subtropical Plant Research Institute	2019
115	Iashagashvili M.	The influence of foreign investments on the development of the securities market in Georgia	2019
116	Inanishvili N.	Complex study of quartz veins of the Liassic terrigenous formation of Kazbeg-Omaló region	2019
117	Kuchava G.	Commercial site software optimization and traffic estimation statistical models	2019
118	Kakhadze V.	Optimal planning of introduction of modern energy-saving systems in artificial lighting	2019
119	Kukhianidze N.	Mobile application for remotely controlling the built-in smart home system	2019
120	Kakashvili Lela.	The museum-reserve as a form of presentation of archaeological artifacts (on the example of Shida Kartli	2019

121	Kakashvili Lali	Increasing the durability and environmental friendliness of automobiles using suspension oil made with nanotechnology	2019
122	Kropadze T.	Socio-psychological characteristics of strategic leadership (on the example of Georgian Defense Forces)	2019
123	Kutibashvili N.	Ways of perfecting mortgage lending of real estate	2019
124	Katsadze Ts.	Numerical solution of a single non-linear system with private derivatives	2019
125	Kostava T.	The role of the individual in the international political space	2019
126	Kvirikashvili M.	Increasing the effectiveness of the management of medical facilities at the modern stage of development	2019
127	Kakheli B.	Designing a distributed ecosystem for data storage and processing using low-cost computing technologies	2019
128	Kakochashvili M.	Development and study of movement control systems of spherical robots	2019
129	Khorava V.	Prediction of Water Erosion in Natural Open Channels	2019
130	Labadze S.	Destructive Speech Acts in the Georgian and British Political Discourse	2019
131	Lomidze N.	Prospects for the processing of technogenic wastes of gold-bearing sulphide ores of Madneuli	2019
132	Lomaia N.	Problems of human rights and civic education in Georgian media	2019
133	Liluashvili G.	The concept of automated management supporting the financial sustainability of the company	2019
134	Maskharashvili D.	Automated business process management in supply chain management	2019
