Pre-ABET Mini Symposium
Georgian Technical University

March 31, 2021, 11:00a.m. – 15:10 p.m. (GST GMT+4)
Zoom Registration Link
Zoom meeting: ID 4101452031

Password: gtu2020

A G E N D A

11:00   Call to Order (GTU rep)
11:05 – 11:15   Introductions
11:15 – 11:30   Welcome remarks:
- Dr. David Gurgenidze, Rector of Georgia Technical University (GTU)
- Ms. Magda Magradze, CEO, Millennium Foundation
- Dr. Halil M. Guven, Dean, SDSU Georgia
- Dr Gotsiridze, GTU, BME Program Director, GTU

Current standing of SDSU Georgia programs & Sustainability Issues
(Role of the partner universities: Internationalization, ABET, SDSU's joint Degree and Research capacity building initiatives, etc,)

11:30 – 11:50   Dr. Halil M. Guven, Dean, SDSU Georgia

ABET/ACS track program budgetary forecasts.
11:50- 12:20   Dr. Nodar Surguladze-Millennium Foundation

Current standing of GTU ABET track programs and plans for Plan for ABET Accreditation, strengthening of STEM departments and ABET track programs

12:30-12:45   Dr. David Makhviladze

ABET Accreditation: Benefits and Challenges for Georgian Technical University

12:45-13:00   Dr.Tamar Lominadze

Importance of ABET accreditation in the context of the Georgian Technical University

13:00 -13:15 Dr. Irine Gotsiridze

Developing and qualifying Biomedical Engineering Programs for ABET accreditation

13:15-13:30   Alexander Zedelashvili
"ABET-GTU Activities Retrospective"

13:30-13:50   Dr. Alexander Bagrationi

History of developing and qualifying Civil Engineering Program for ABET Accreditation

13:50-14:10 Dr. Giorgi Bichiasvili

History of developing and qualifying Construction Engineering Program for ABET accreditation

14:10-14:30 Dr. Lali Khuntsaria

Implementation of the Bachelor's Degree Program „Electrical and Electronic Engineering'' By ABET standards (Supported by the MCC/International project and SDSU/Georgia).

14:30-14:50 Dr. Kartlos Kachiashvili

Status of self-assessment report and its development plans of curriculum "Computer Science for ABET accreditation

14:50-15:10 Dr. Ia Mosashvili

Computer Engineering for ABET accreditation. Developing States.

Q & A and Open Discussion
▪ Dr. David Gurgenidze
▪ Other participants

Closing remarks – Dr. David Gurgenidze

Symposium Participants:
1. David Gurgenidze, Rector of Georgian Technical University (GTU)
2. Halil Guven, Dean of SDSU-Georgia
3. Magda Magradze, CEO of Millennium Foundation
4. Nodar Surguladze, Tertiary Education Project Director, Millennium Foundation
5. David Makhviladze, Head Of Quality Assurance Service GTU
6. Tamar Lominadze, Dean Of Faculty of Informatics And Control Systems GTU
7. Irine Gotsiridze, Professor, Head of The Biomedical Engineering Department, GTU
8. Alexander Bagrationi, Professor, Head Of Educational Program Civil Engineering, GTU
9. Giorgi Bichiasvili -Professor, Head Of Educational Program Construction Engineering, GTU
10. Lali Khuntsaria –Professor, Deputy Dean of the Faculty of Power Engineering and Telecommunication, GTU
11. Kartlos Kachiashvili-Professor, Head of Educational Program Computer Science, GTU
12. Ia Mosashvili, Professor, Head of Educational Program Computer Engineering, GTU
13. Alexander Zedelashvili, Deputy Head of International Relations and Standards Office, GTU
14. Tinatin Kaishauri, Professor, Deputy Dean of the Faculty of Informatics and Control System, GTU
15. Ketevan Kotetishvili, Professor, Head of Quality Assurance Service Faculty of Informatics And Control Systems, GTU

16. Elene Satakishvili, Dean of the Faculty of Power Engineering and Telecommunication, GTU
17. Levan Imnaishvili, Professor, Head Of Department of Computer Engineering, GTU
18. Giorgi Gigineishvili-Associated Professor, Faculty of Power Engineering and Telecommunication, GTU
19. Lili Petriashvili, Professor, Faculty of Informatics And Control Systems GTU
20. Zurab Modebadze, Professor, Faculty of Informatics And Control Systems GTU
21. Zviad Gurtskaia, Professor, Biomedical Engineering Department, GTU
22. Tohid Talebifar, Assistant , Biomedical Engineering Department, GTU
