

10th International Scientific Conference

RURAL DEVELOPMENT 2021

Challenges for Sustainable Bioeconomy and Climate Change
21-23 September 2021, Vytautas Magnus University, Lithuania

The main topics of parallel sessions:

- Agro-innovations and Food Technologies;
- Biosystems Engineering and Environmental Integrity (Dedicated to the 75th Anniversary of Engineering Sciences in University);
- Multifunctional Approach for Sustainable Use of Bio-Resources;
- Social Research for Sustainable Bioeconomy and Climate Change.

Business and Science Forum 'Green deal: the way improving the well-being of people and business' will be held during the Conference.

Keywords: Innovations, Integrity, Bio-resources, Well-being.

Conference website <https://www.ruraldevelopment.lt/>

Important dates and deadlines:

From February 1st until August 15th, 2021 – registration

Until September 1st, 2021 – article submission

January 1st, 2022 – publishing of the Conference proceedings

Participation fee:

until August 29th – 220 EUR

after August 29th – 270 EUR

for PhD students – 110 EUR

for guests/non-authors – 150 EUR

Aims & Scope

The aim of the 10th International Scientific Conference 'RURAL DEVELOPMENT 2021: Challenges for Sustainable Bioeconomy and Climate Change is to provide scientific interdisciplinary discussion presenting new ideas for rural development processes in the context of Bioeconomy, Climate Change, Innovations and Social Progress.

The scope of the Conference covers four main areas: Agro-innovations and Food Technologies, Biosystems Engineering and Environmental Integrity, Multifunctional Approach for Sustainable Use of Bio-Resources and Social Research for Sustainable Bioeconomy and Climate Change. The Conference 'Rural Development' organized biannually since 2003 is attracting to Vytautas Magnus University over 700 scientists from more than 35 countries.

Conference Journal Indexing

The papers are the subject of two independent reviews. After the conference date all the peer-reviewed conference papers will have been published in open access Proceedings of the conference (online ISSN 2345-0916, print ISSN 1822-3230). Proceedings of International Scientific Conference "Rural Development" are published periodically every two years since 2003 and indexed by Clarivate Analytics Web of Science (CA WoS), EBSCO (Academic Search Complete).

Organizing Committee:

Chairperson – prof. dr. Astrida Miceikienė

Vice-chairpersons – assoc. prof. dr. Jolita Greblikaitė, assoc. prof. dr. Judita Černiauskienė

Conference administrator – Dėja Bubinaitė

Proceedings of the International Scientific Conference "Rural Development"

Editor-in-Chief – assoc. prof. dr. Judita Černiauskienė
