Recipient's bank - State Treasury
Name of recipient - State Treasury's Consolidated Account;
bank code - TRESGE22
Recipient's account/Treasury code - **7 0905 7509**

Payment receipt must indicate - “Energy Conference”

Payments should be confirmed by sending a copy of payment order to Organizing Committee.

Paper Submission Requirements

(Papers not meeting the following requirement will not be accepted)

The papers should be submitted in no more than 4 pages printed in A4 format. Margins - 25 mm each. The papers are preparing in MS Word with the use of tables and equations editing programs; text should be written in *Times New Roman* in 12 Pt. Bold with 1 interval between the lines; the formulas should be edited in MS Equation; the drawings and illustrations should be formatted in TIF or PCX.

Text Formatting Requirements:

On the first page should be printed the title of paper (14 Pt. Bold).

Passing the line - the authors' last name and first name initial (13 Pt. Bold).

On the next page - full name of institution (12 Pt. Bold), in case of several institutions there should be used the mark *);

Passing the line - an abstract of paper (10 Pt. in italic type, no more than 500 characters).

Passing the line - the contents of paper (12 Pt. Bold).

Passing two lines - list of references (10 Pt. Bold). The references should be formatted strictly in compliance with ISO standards.

Passing two lines - the summary in English (10 Pt., no more than 500 characters).

Papers should be e-mailed to: energyconf@gmail.com.

The authors are responsible for paper contents and quality.

Each author can submit no more than 2 papers.

References Formatting Requirements

The references should be indicated either in alphabetical order or in compliance of their mention order on the paper.

During the formatting the list of references, at the mention of books or monographs, it is necessary to indicate: the authors' last name and first name initial; the name of the book (monograph); the place for publication; publishers, imprint year, number of pages.

For example:

Svanidze V.V. Power Engineering. Tbilisi. AISI, 2000. - 240 p.

If scientific work is indicated, it is necessary to first indicate the authors' names, title of work, two slashes which mark out the title of work and name of edition (conference, congress etc.), place of publication, imprint year, number of pages.

For example:

Svanidze V.V. To the issue of energy potential of the region // Energy Issues. Kutaisi, 2009. 1 5, p. 12-16.

The Conference Proceedings will be distributed among attendees during registration or sent by mail (for attending in absentia).
