Conclusion, Certificates and Farewell

**Information:**

- The main purpose of this meeting is to strengthen the cooperation between partner institutions, recently initiated under the Erasmus ICM programme, namely the projects approved in 2019 and 2020.
- The meeting programme is targeting teachers and researchers from Agriculture, Food Technology and Environmental Engineering academic areas. Staff from the International Relations Offices is also very welcomed to join.
- The participants' **nomination deadline is 17<sup>th</sup> September**. After selecting the participants, the home institution should send a nomination e-mail to [gri@ipbeja.pt](mailto:gri@ipbeja.pt) with the following data: name of the participant; teaching area (agronomy, food technology or environmental engineering) and e-mail address;
- The IPBeja IRO will then contact the nominated participants regarding the Erasmus Mobility Grant and other administrative and logistic issues.

For more information, please contact the IPBeja International Relations Office by the e-mail [gri@ipbeja.pt](mailto:gri@ipbeja.pt) (contact person: Mrs. Maria Cristina Palma).
